

TSR PERFORMANCE TRACKING

YOU BRING THE VISION. LET AWARDTRAQ HANDLE THE REST.

You've designed your relative TSR awards to create healthy incentives and drive retention. Now that your TSR awards have been granted, demonstrating the link between pay and performance, in real-time, has never mattered more.

CURRENT PERFORMANCE ON DEMAND

AwardTraq empowers you to communicate the current value of your firm's TSR awards in a clear and compelling way. Give participants direct access to AwardTraq for real-time updates or leverage the tool behind the scenes within your department. **It's your choice.**

AUTOMATED TRACKING

AwardTraq takes the agony out of tracking and reporting for your most complex, computationally intensive awards, bringing simplicity to error-prone relative TSR calculations. Leveraging consultant expertise and custom automation, AwardTraq handles:

- » Peer firm M&A, delistings, bankruptcies, equity restructurings, and other corporate events that influence your performance benchmarking—even for hundreds of peer firms
- » Special dividends, distributions, and stock splits
- » Non-standard TSR definitions and payout matrix designs

STREAMLINED FINANCIAL REPORTING

AwardTraq allows you to easily update estimates of contingently issuable shares for ASC 260 compliance.

POWERED BY A NAME YOU TRUST

From pre-grant planning to final payout, our experts work with your consultants, HR, tax, and finance/accounting teams to help drive your overall equity compensation and ASC 718 compliance goals.

DON'T JUST SAY THAT PERFORMANCE MATTERS. SHOW PARTICIPANTS THAT IT MATTERS WITH AWARDTRAQ'S CUSTOMIZED, WEB-BASED TSR PERFORMANCE TRACKING.
